11. Advantage Rule and Frees

11.1. Playing advantage

In the event of a foul by a player(s) on an opponent who is in possession of/in the act of playing the sliotar, the Referee may allow play to continue if s/he considers such to be an immediate advantage to the offended team. S/he must signal that advantage by raising an arm upright and must allow the advantage to run by maintaining her/his arm in the upright position for up to five seconds after the foul or for less time if it becomes clear that no advantage has accrued. If s/he deems no advantage to have accrued, s/he may subsequently award a free for the foul from where it occurred, or a subsequent foul if more advantageous to the offended team.

The Referee must, during the next stoppage in play, apply to the offending player(s) the appropriate sanction in accordance with Rule, where s/he deems such is warranted.

11.2. Free Taking

In the event of a foul by a player(s), a free must be awarded to the opposing team from where the foul occurred. A free must also be awarded in other instances as specified in these Rules. The Referee must indicate the spot from where the free must be taken. A free must not be taken until the Referee has blown the whistle.

- 11.3. For all frees, including a side-line puck, once the sliotar has been placed by the player at the spot indicated by the Referee or line umpire, and the whistle blown, the sliotar may not be reset except with the express permission of the Referee.

Penalty: A throw in by the Referee where the foul occurred.

- 11.4. For all frees, other than a side-line sliotar, the sliotar may be struck on the ground or be lifted and struck with the hurley in one continuous movement. Lifting the sliotar and then balancing it on the hurley before striking is deemed to be a foul. The sliotar may not be taken in the hand or hopped on the hurley when lifted for

a free. For a side-line puck, the sliotar may be struck on the ground only. It may not be lifted.

Penalty: A throw in by the Referee where the foul occurred.

- 11.5. Should the free-taker fail to lift and/or strike the sliotar at the first attempt she may strike it on the ground but may not lift it again.

Penalty: A throw in by the Referee where the foul occurred.

- 11.6. The free-taker may not play the sliotar a second time until another player has touched it, except where the sliotar rebounds off a crossbar or upright.

Penalty: A throw in by the Referee where the foul occurred.

- 11.7. No player may approach within 10 metres of the free-taker until an attempt to strike the sliotar has been made, and no player may physically or verbally distract a free-taker. (A player holding her hurley upright does not constitute as interference.)

Penalty: A free must be awarded from a point 10 metres nearer to the offending player's goal but not within the 20 metre line of that goal.

- 11.8. If a foul is committed on a player after she has played the sliotar, a free must be awarded from where the sliotar lands.

- a. Should a score have resulted, it must be allowed.
- b. Should the sliotar have crossed the end-line, or landed within 20 metres of the end-line, the free must be awarded from a point on the 20 metre line opposite where the sliotar landed.
- c. Should the sliotar have crossed the side-line, the free must be awarded from the point where the sliotar crossed, or, if within 20 metres of the end line, it must be awarded from the 20 metre line.

11.9. Should a player from each team foul at the same time, the Referee must throw in the sliotar between two opposing players where the foul occurred. If within the 20 metre line, the sliotar must be thrown in on the 20 metre line at the point opposite where the foul occurred.

11.10. The Referee must extend time to compensate for any deliberate delay in taking a free.

Penalty: If a player deliberately delays a free, the Referee will add on additional time. Persistent delay in taking the free is regarded as dissent. The player's name and jersey number will be taken by the Referee and a yellow card is issued.

11.11. When a team is awarded a free and an opposing player shows dissent the Referee may move the sliotar forward 10 metres.

11.12. 20 Metre Free

Should a foul be committed on an attacking player within 20 metres of the end-line and outside the large parallelogram, the free must be awarded from a point on the 20 metre line opposite where the foul occurred:

In the event of a 20 metre free, should a member of the defending team show dissent or be in breach of Playing Rules 11.7, the free must be awarded from a point on the 20 metre line 10 metres nearer to the centre of the goal. If within 10 metres of the centre, the free must be taken from a point opposite the centre.

11.13. Penalty Shot

Should a foul be committed on an attacking player within the large parallelogram, a penalty free must be awarded from the centre point of the 20 metre line. Not more than three defending players may stand on the goal-line. With the exception of the free-taker, all other players must remain outside the 20 metre line and outside the semi-circle until the sliotar has been struck.

Should a foul be committed by a defending player(s) before the sliotar is struck and a score does not result, the Referee must allow the penalty free to be retaken.

11.14. 45 Metre Free

Should a player from the defending team play the sliotar across the end-line, the Referee must award a free to the attacking team from a point on the 45 metre line opposite to where the sliotar crossed the end-line. The last person touching the sliotar must be considered the last person playing the sliotar.

Should the sliotar strike anyone other than a player at or near the end-line, and if the Referee adjudges that in so doing the sliotar was prevented from going out of play, a wide or 45 metre free as applicable must be awarded.

- 11.15. When a clashed sliotar crosses the end-line it must be regarded as wide.

12. Side-Line Puck

- 12.1. Should a player play the sliotar across the side-line, the Referee must award a free ground puck to the opposing team from the point where the sliotar crossed the line.

- 12.2. When a clashed sliotar crosses the side-line the Referee must throw in the sliotar between two opposing players at the point where the sliotar crossed the line. If within 20 meters of the end-line the sliotar must be thrown in on the 20 metre line.

- 12.3. Should the sliotar strike anyone other than a player at or near the side-line, and if the Referee adjudges that in so doing the sliotar was prevented from going out of play, a free ground puck must be awarded against the team of the player who last touched the sliotar.

- 12.4. For a side-line puck, once the sliotar has been placed by the player at the spot indicated by the Referee or line-umpire, and the whistle blown, the sliotar may not be re-set except with the express permission of the Referee.

Penalty: If a player advances the sliotar deliberately from the place at which a side-line puck is to be taken, the side-line puck is cancelled. The Referee must throw in the sliotar where the foul occurred as per Rule 9.3 of the Playing Rules. If the breach is within the 20 metre line, the Referee must throw in the sliotar on the 20 metre line.

13. Puck-Out from Goal

- 13.1. When the sliotar is played over the end-line, i.e., wide, by the attacking team or from a clashed sliotar crossing the end-line, the Referee must award a puck-out from within the small parallelogram to the defending team. A player may go outside the end-line for a run-up to a puck out.
- 13.2. A player taking the puck-out may strike the sliotar from her hand.
- 13.3. Should the player taking the puck-out miss the sliotar at the first attempt she may
 - a. lift and strike it
 - or
 - b. strike it on the ground

She may not take it into her hand a second time.

Penalty: 45 metre free to the opposing team from a point opposite to where the foul occurred.

- 13.4. A player may not puck-out the sliotar from outside the small parallelogram except after a score.

After a score the player must puck out the sliotar without crossing the 13m line and from within the large parallelogram.

Penalty: 45 metre free to the opposing team from a point opposite to where the foul occurred.

- 13.5. For all puck-outs the players of the opposing team must remain outside the 20 metre line until an attempt to strike the sliotar has been made.
- 13.6. The Referee must extend time to compensate for any deliberate delay in pucking out the sliotar.

Penalty: If a player deliberately delays a puck-out, the Referee will add on extra time. Persistent delay in taking the puck out is regarded as dissent, the player's name and jersey number be taken by the Referee and a yellow card is issued.

14. Small Parallelogram (square ball)

- 14.1. Should a player of the attacking team enter the small parallelogram before the sliotar enters it during play, a free out must be given to the defending team from the edge of the small parallelogram. Should there have been a score it will be disallowed.

Exception:

Should a point have been scored from outside the small parallelogram it must be allowed provided that the player who had entered the small parallelogram had not interfered with the defence and that the sliotar was sufficiently high to be out of reach of the defence and attack.

- 14.2. Should a player of the attacking team legally enter the small parallelogram and the sliotar is played away from that area but is returned before the attacking player has time to leave the small parallelogram, she will be deemed not to have committed a foul.

Should this result in a score, it will be allowed.

- 14.3. In the event of a free, no player of the attacking team will stand outside the end-line behind the small parallelogram.

15. Scores

- 15.1. A goal is scored when the sliotar is played by either team over the goal-line, between the goal-posts and under the crossbar, except when carried in the hand or thrown over the goal-line by any player. A goal will be equal to three points.
- 15.2. A point is scored when the sliotar is played by either team over the crossbar and between the goal-posts, except when thrown by any player.
- 15.3. When the sliotar is played by a team through its own goal or over the crossbar, the score will be awarded to the opposing team.
- 15.4. When the sliotar is played directly over the crossbar from a side-line sliotar, the score will be worth two points, provided it is not touched in flight by any player on the attacking or defending teams.
- 15.5. A score will be allowed if, in the opinion of the Referee, the sliotar was prevented from crossing the goal-line by anyone other than a player.
- 15.6. The team with the highest score at full-time will be deemed to be the winner.
- 15.7. When teams finish with equal scores at full-time, the match will be declared a draw.

16. Limitations of Liability

These Rules shall not impose on any Referee, Line Umpire, Goal Umpire, Sideline Official, Team Official or Unit any legal duty of care or legal responsibility. Such duty of care shall remain with individual players and, if relevant, parents, guardians or other persons legally responsible for them.

A team which makes more than three substitutions must forfeit the game to its opponents.

19. The Pitch

- 19.1. The pitch must be rectangular, from 95 metres to 110 metres long and from 60 – 80 metres wide.

The boundaries must be marked by a distinctive line and the four corners indicated by flags.

- 19.4. Equidistant from each corner on the end-lines will stand two upright goalposts, 4.5 metres apart and 6 metres high. There must be a crossbar 2 metres from the ground joining the goal-posts to form a goal-space.

20. Rules of Play

- 20.1. No player may approach within 10 metres of a free-taker until an attempt to strike the sliotar has been made, and no player may physically or verbally distract a free-taker. A player holding her hurley upright will not constitute an interference.

Penalty: The free will be awarded from a point 10 metres nearer to the offending player's goal but not within the 10 metre line of that goal.

- 20.2. Where a player from the defending team plays the sliotar across the end-line the Referee must award a free to the attacking team from a point on the 30 metre line opposite to where the sliotar crossed the end-line.

The last player touching the sliotar will be considered the last person playing the sliotar.

- 20.3. Where the sliotar strikes anyone other than a player at or near the end-line, and if the Referee adjudges that in so doing the sliotar was prevented from going out of play, a wide or 30 metre free as applicable must be awarded.
- 20.4. When a clashed sliotar crosses the side-line the Referee must throw in the sliotar between two opposing players at the point where the sliotar crossed. If within 15 metres of the end-line the sliotar will be thrown in on the 15 metre line.

21. Fouls

- 21.1. If a foul is committed on a player after she has played the sliotar, a free will be awarded from where the sliotar lands. If a score should have resulted, it will be allowed. If the sliotar has crossed the end-line or has landed within 15 meters of the end line, the free will be awarded from a point on the 15 metre line opposite to where the sliotar landed. Where the sliotar has crossed the side-line, the free will be awarded from the point where the sliotar crossed that side-line or, if within 15 metres of the end-line, it will be awarded from the 15 metre line.
- 21.2. Where a player from each team fouls at the same time, the Referee will throw in the sliotar between two opposing players where the foul occurred. If within the 15 metre line, the sliotar will be thrown in on the 15 metre at a point opposite where the foul occurred.

- 21.3. If a foul is committed on an attacking player within 15 metres of the endline, the free will be awarded from a point on the 15 metre line opposite to where the foul occurred. Should a member of the defending team show dissent or be in breach of Rule 12.7 the free will be awarded from a point on the 15 metre line 10 metres nearer to the centre of the goal. If within 10 metres of the centre, the free will be taken from a point opposite the centre.

In all other instances 15-a-side rules apply.
