**28.1.** Before taking part in competition, a player must be registered with the Committee in charge of the competition.

For a player to play in inter-county competitions, she must be registered through a club.

A player may play in a competition three days after her registration has been received by the Committee in charge or by the person nominated by the Committee in charge to accept registrations.

**28.2.** In Inter-County Competition a player is automatically eligible to represent her native County. If the County in which a player is registered is not her native County, she may declare for her adopted County in Inter-County competition.

Such declaration must be made on Official Form CC3, properly completed in duplicate, and lodged with the Ard Stiúrthóir by 31st January. However where the adopted County is outside of Ireland then a player may still declare for her adopted County in Inter-County competition after this date.

This declaration will become effective three days after acknowledgement by the Ard Stiúrthóir.

A player will not represent more than one County in the same season. Once permission to declare for an adopted county is granted to a player, it is not necessary to repeat application, unless the player wishes to declare back to her native county.

- 28.3.** A member will not register or play with two Clubs except in the following instance:
- a. A full time student of one of the affiliated Institutes of Higher Education may play for both her College Club and her home Club in the same season's competitions. She will not represent both Clubs in the same competition. Where a Club in an Institute of Higher Education participates in competition under the auspices of the County Board, a student will not represent both her College Club and another Club in that County in the same season's competitions in any grade. In the event of both her College Club and her home Club being County Champions in their respective Counties in the same season, a student must, prior to participation at the next level, notify the Ard Stiúrthóir by the last day in February in writing with which Club she intends to play in the All-Ireland Club Championship competition;
  - b. A player may play with her home Club in Ireland and a Club in her European Country of study and vice versa, provided she is participating in a recognised programme of study in another European Country, or Ireland, for at least three months duration and she obtains permission from Central Council. These players may play with their home Club or County in their respective championships or other competitions. This does not apply to Irish home Club players studying in Ireland or Britain;

- 28.4.** A player must meet the following age criteria in order to be eligible to participate in competitions:

U12	Be Under 12 and Over 8

U16	Be Under 16 and Over 12
U18	Be Under 18 and Over 14
Adult	Be Over 15 except in the case of inter-county competitions where a player must be over 17.

'Under' means that a player must be under the age limit by midnight on the 31st December of the year prior to the Championship year e.g. to play U16 a

player must be aged 15 years or under on the 31st December prior to the Championship year.

'Over' means a player must be over the age limit by midnight 31st December of the year prior to the Championship (e.g. to play under 14 a player must be 10 years of age on the 31st December prior to the Championship year).

In the event of competitions, and their qualifying rounds, running over two calendar years, a player who was ineligible based on the age criteria in the first of the calendar years remains ineligible to play in games that run on to the next calendar year.

For breaches of the above Rule, the penalty is the awarding of the game to the opposing team where applicable and a suspension of up to six months to the person(s) in charge of the team in which the breach is committed (Also see Rule 44 for player playing illegally).

- 28.5.** Where Clubs have insufficient numbers of players to compete in underage competitions, they may combine with a team from only one other specific club to participate in underage competitions, subject to prior approval from the Unit in charge. A team is deemed to be a combined team if it comprises three or more players from a different club(s). Players from no more than three clubs may combine to compete as a single team.
- 28.5.1** When underage clubs do not have sufficient numbers of eligible players to play in adult competition, they may combine with a team from only one other specific club to participate in adult competition until the Unit in charge determines that the club has sufficient numbers to play the adult competition. Such combinations are subject to the annual prior approval of the Unit in charge. A team is deemed to be a combined team if it comprises three or more players from a different club(s). Players from no more than three clubs may combine to compete as a single team.
- 28.6.** Adult club teams from lower grades may only combine to participate in higher grade competitions e.g. two intermediate teams combine to play Senior Championship/League. The Unit in charge of the competition must approve this in advance. Where a Club already has a team participating in the higher competition it may not avail of this provision. Where teams combine under Rules 28.5 and 28.6 players' registrations and player grading will remain with their home club (Also see Rule 28.3).
- 28.7.** Combination or divisional teams may not enter the provincial and All-Ireland Club Championship

  - Temporarily suspend play for a serious injury to a player, sudden deterioration in the weather, broken goalposts, pitch invasion or for any other matter/incident that s/he feels warrants such a decision.

Play should be temporarily suspended for a maximum of 15 minutes. If the issue cannot be resolved during this period, then the match should be abandoned. The Referee, having decided to temporarily suspend play, should simultaneously inform team officials from

both teams that play is being suspended. Teams may retire to their dressing room and if the issue is resolved within the specified period, play will be resumed within 5 minutes of the team managers of both teams being informed by the Referee that the issue has been resolved.

The Referee's report must be considered as final except where the Committee in charge is satisfied beyond all reasonable doubt that the match was not Refereed in accordance with the Rules. Failure of a Referee to submit a report does not render the game null and void.

A Referee or Goal Umpire may seek and/or obtain a clarification, from the officially sanctioned Score Detection System where operable, that a sliotar has gone between the posts for a point or outside the posts for a wide. The protocols for the operation and use of the system must be in accordance with the specific provisions determined and authorised by Ard Chomhairle.

Such stoppages must not exceed two minutes at which time the player will be required to leave the field for treatment. The exception to the two minute Rule above is when an injury is so serious as to require treatment in place or where a stretcher is required to remove player from the field of play.
  - To allow for a free to be taken. A score will result from such a free only when no player from the attacking team other than the free-taker touches the sliotar. - 41.7.** The Referee may terminate a match because of:
